RECIPE OF THE MONTH: THANKSGIVING STUFFING (CHEAT! USING STOVE TOP)

PREP: 5 MIN COOK TIME: 10 MIN: Serves 6. Ingredients: 2 medium onions minced, 2-3 stalks of celery chopped fine, 2 tablespoons butter, 1/2 teaspoon poultry seasoning, 2 cups of turkey or vegetable broth, hot water, 2 (6 ounce) packages stove top style seasoned stuffing mix:

Saute onions & celery in butter. Sprinkle with poultry seasoning, set aside to cool. Toss this mixture into your favorite dry stuffing mix. Heat broth and set aside. Read directions on your favorite dry stuffing mix, add enough hot water to the broth to make up the required liquid needed. (Omit butter the recipe calls for-already used in sauted vegetables). Pour over stuffing vegetables mixture and mix well. Stuff your turkey. For a side dish place stuffing in baking dish, cover and bake for 15-25 minutes at 325 degrees Fahrenheit.

All of us at SMART would like to wish you and your family a wonderful Thanksgiving. Enjoy this time as time goes by way too fast, and express how you feel about your loved ones.
